

NEW PARK N ROLL COURSE PROPOSED CHANGES 09/01/2011 – Add one full lap around stadium lot at beginning and end of race to lengthen to 6 miles.

Red line = new course proposal (Green line is google map's marking of hiking trails)

Yellow line = alternate path if necessary. However, this uses the sidewalk behind the library, which is not very wide (pedestrian interference).

Blue stars = needed KSU police presence where roads are used. All other areas have sidewalks available.

Orange stars = Park n Roll checkpoints. (Marked by People/Person in bright colored vest with logo and sign/balloons)
